Family Newsletter

IRON EAGLE PRESS:

Hello Iron Eagle Families, Happy Friday..!!

We are ONLY four weeks away and we will be at the end of the 2024 school year! As I mentioned earlier, these four weeks are going to be very busy so please keep checking your emails and messages.

Our students work very hard and follow directions. When they do this, they also earn their rewards. We are rewarding them next week with Field Day. Yes, that is correct. MIT will celebrate the Annual Field Day on May 1st, Wednesday. Students will enjoy this time on the brand new MIT Sports Field and we have planned many activities for them. Please contact the front office if you have any questions about the Field Day.

Our Benchmark and AP Exams are also scheduled and I would like to remind our students to keep preparing for these assessments as well.

Let's celebrate our students' success and keep motivating them to achieve higher results.

Have a restful weekend Iron Eagles and I will see you all on Monday.

Mr. Gandhi, Headmaster.

MULTICULTURAL NIGHT

Good afternoon students, teachers, parents, and community members,

I am Zahra Ali, the president and co-founder of the Multicultural Club here at MIT. As you may already know, last Friday on the evening of the 19th, the club hosted a spectacular Multicultural Night to embrace the diverse cultures we have here at MIT. On behalf of the Multicultural Club, I would like to thank everyone who has shown interest in the event and came out to support all the clubs and individuals presenting. We raised over \$1,200 from the event to support the causes of the clubs that participated. I would like to give a huge THANK YOU to all of the individuals and clubs that put in immense effort to make their booths look amazing, teach others about their cultures, and share their roots. I would also like to thank all of the volunteers who stayed after school hours (and risked their lives on the ladder) to hang up the beautiful decorations that were set up for the night. Thank you to NJHS for presenting Spain and Moldova; NHS for India; Psychology/Forensics Club for Greece, Ireland, Scotland, and Cherokee Nation; Media Club for Japan; MSA for South Korea; Chess Club for the Philippines; and BSU for the Democratic Republic of Congo, Jamaica, and Cuba. I would also like to recognize and thank the individuals who organized individual country presentations with unique artifacts, engaging activities, and delicious food: thank you to Hanadi Hussein for presenting Palestine; Zillah for Black America; Luis and Jennifer for Brazil; Raheemah and Ruqiyah for Afghanistan; Laveah and Ciara for Puerto Rico; and Afsana (and my dad) for Bangladesh!

A special shout-out to the Muslim Students Association for hosting the Fire Noodle Challenge, and the competitors for sacrificing their stomachs (Mr. Riggs - the winner, Mr. Spann, Mr. Bush, Jonathan Hernandez, Anthony Holguin, and the chosen audience member Jordan Hartwell). MSA has reached its goal of sponsoring an orphan; your generous donations are for a heartwarming cause!

Again, I would like to thank everyone for their contributions towards making this event even more successful than last year! Our goal moving forward is to showcase more and more diversity and learn from this experience to make next year even better!

If you have any questions or suggestions for our next Multicultural Night, please feel free to email me at zahra.ali@mitglobalonline.org. Have a great weekend!

MULTICULTURAL NIGHT

MIT AP TESTING SCHEDULE

Dear MIT Parents/Guardians,

It is that time of year for State Testing. See below for this year's testing schedule. Please be aware:

- Students are not permitted to have any electronics with them while testing. This includes cell phones and smartwatches. Students will be asked to turn them off and put them in their backpacks.
- Headphones will be provided by the school. However, some students may prefer to use their own headphones, which is fine, but they must be wired headphones. Bluetooth headphones are not permitted.

If you have any questions, please contact the front office.

AP Tests

AP US Government - May 6

AP Chemistry - May 6

AP Human Geography - May 7

AP Microeconomics - May 7

AP Statistics - May 7

AP Literature - May 8

AP Psychology - May 9

AP Calculus AB - May 13

AP Language - May 14

AP Spanish - May 16

AP Biology - May 16

MIT ATHLETICS

MIT SPORTS CELEBRATION

All Fall, Winter, & Spring MIT student athletes must RSVP for themselves and up to four guests for this event. Athletes and guests will not be allowed to attend the MIT Sports Celebration unless they RSVP. The deadline to RSVP is Monday, May 6th.

**MONDAY,
MAY 13TH**

During this event, we will be celebrating our coaches, senior student athletes, awarding team MVPs, recognizing the male and female athletes of the year, as well as recognizing the male and female coaches of the year.

We will be hosting this event in multiple sessions so that we have enough room to fit everyone in the MIT Lecture Hall comfortably.

While you are waiting for your team's session, you may wait in the cafeteria or outside the lecture hall.

At the conclusion of each session, we will be providing pizza, chips, cookies, water, and soda in the MIT cafeteria.

4:00 PM	Football
4:20 PM	Cheer
4:40 PM	Girls Volleyball
5:00 PM	Boys Soccer

MIT STEMM HIGH SCHOOL ENROLLMENT 2024-2025

MIT High School is accepting applications for the next school year for the 9th - 12th grade enrollment. MIT staff and students have been attending high school nights at different school districts as well as inviting the community to take a campus tour. Please, let us know if you know someone who is interested in taking a campus tour, and we will be able to schedule them.

The fillable form for the 2024-2025 enrollment is available on our school website in both English and Spanish. Please click on About Us, our school, and select APPLY TODAY. once the form is filled out it can be downloaded and sent to the MIT front office admin team via email at jcovarrubias@mitglobalonline.org.

If you refer a new student to attend our school be sure to let that family know to mention your name when they register, so your student can get a free uniform!

MIT MISSION AND VISION STATEMENT

Hello Iron Eagle Families, thank you for your continued support to achieve MIT's mission and vision. Our Mission and Vision are always available on our school website at <https://www.mitglobalonline.org/Our-School> and I would also like to take this opportunity to share them with you all here.

Vision:
MIT will provide a science, technology, engineering, and math program to students within a state-of-the-art research facility with the goal of preparing our students for collegiate success and successful STEM² careers.

Mission:
Maricopa Institute of Technology (MIT) is a college preparatory high school providing an advanced science, technology, engineering, and mathematics (STEM) education while challenging students to pursue personal excellence in character in order to serve and lead others. MIT will provide a comprehensive and rigorous (STEM) curriculum through interdisciplinary work, independent learning, projects, internships, and college credits earned by graduation through Advanced Placement (AP) or dual enrollment classes.
